Thank you for the interest you have shown in allowing us to host your function in our Clubroom Function Centre.

The Clubrooms of the Adelaide Rowing Club are situated on a prime position overlooking the pleasant waters of the River Torrens and the surrounding parklands towards the Adelaide Oval and Elder Park, which provide a magnificent backdrop for any event.

Our Clubrooms are rich in character, from the wooden rowing boats of yesteryear mounted from the solid timber rafters, to the photos of the Club's rowers, both current and past.

The Club's members are extremely proud of their fantastic non-smoking function centre, and encourage the use of our facilities to host functions and events as a way of raising funds to sustain their participation in the great sport of Rowing.

Our kitchen and bar have been successfully utilised for a wide variety of events, such as birthday and engagement parties, wedding receptions, Christmas and corporate functions and even our own Annual dinners. Enjoy!

Conditions and Terms of Hire

Guest Behaviour

Adelaide Rowing Club has procedures in place to protect the interests of the Club, its staff and members, the Client and the Client's guests in event of the following events occurring, or during the course of a function.

- A liquor licensing infringement occurring on the Club's premises;
- Damage to the Clubrooms, and the Club's equipment, by guests;
- Violent or abusive behaviour by guests towards staff and/or other guests.

A pro-active approach will be primarily applied by the Club's staff to prevent these events from occurring. There will be an attempt to contact the Client to inform them of the situation as a courtesy, but the decision in respect to what final actions to take will be determined solely by the Club's badged Responsible Person/s. This may result in any of the following actions being taken:

1. A verbal warning being issued to the offending person.
2. Refusal to continue service of alcohol to the offending person.
3. Eviction of the offending person from the Club's premises, using necessary force as permitted by law if required.
4. Refusal to continue service of alcohol to all guests.
5. Complete shut-down of the function, and removal of all guests from the Club's premises.
6. Calling the Police to remove offending persons who refuse to leave the Club's premises after being directed to do so.

The Club's bar staff, as representatives of the Club, have the right to evict any person(s), and/or shut-down any function, at any stage during the function, regardless of the wishes of guests or the Client, if they feel that their personal safety, the Club's liquor license, the Club's property or other interests are at risk.

The Bar Manager may also request details prior to the function of any security measures that the Client intends to take to ensure the safety and protection of staff and guests, and may request further measures be taken if he or she is unsatisfied with the measures proposed by the Client.

Insurance

The Club bears no responsibility for any potential liability caused by third parties that are hired by the client, such as security guards, caterers, DJs etc. These third parties are expected to have their own personal and professional liability insurance policies in place.

Personal Property

The Club accepts no responsibility for the loss or damage of any property brought into the venue by the Client, guests or other third parties. All personal property remains the responsibility of the Client or their guests.

Venue

The area for hire includes the main function room (upstairs), the balcony and the ablutions. Access may also be granted to the kitchen and the rear upstairs storeroom upon request to the Bar Manager. The boatshed facility (downstairs), the bar and the office are strictly out of bounds at all times. The entire interior area of the Clubrooms and building are designated as non-smoking areas. Smoking is only permitted outside on the balcony. No alcohol is permitted to leave the licensed area as the area surrounding the Clubrooms is a designated dry zone.

Departure

Once function has finished and/or the Club's liquor license expires, guests have 15mins to finish drinks and then an additional 15mins to vacate the premises. Failure to comply will result in additional fee of \$100.00 per half-hour (or part thereof). The liquor licence of the Club expires at 1am, and no extensions can be granted to prolong the duration of a function beyond this time. Service of alcohol will cease immediately at this time.

Decorations & Room Set-Up

Decorations utilised by the Client must not damage the venue or its fixtures in any way. As such the Club has a policy of not permitting the use of staple guns, nails, glues or adhesives on paintwork. Damage as a result of the use of these items will be charged to the Client appropriately.

The use of table-top candle decorations constitutes a fire risk and is strictly prohibited according to our insurer.

The Client is responsible for setting up the room prior to the night and positioning tables, chairs, pedestals and other furniture.

Bar Service

The Club's bar-staff are current Club members, and the Bar Manager will ensure that there will be a minimum of 1 badged Responsible Person on duty at every function.

All drinks, alcoholic and non-alcoholic, are to only be served by the Club's bar staff, including any drinks that the Client has arranged to supply under our BYO provisions. This is for the protection of guests and our staff from issues such as drink-spiking, and is also a requirement of the liquor license that the Club operates under. Additionally, no alcohol is permitted to be brought onto the premises of the Club without the consent of the Bar Manager.

The Club is only responsible for providing bar staff. The Club has no responsibility for other staff sourced by the Client, such as DJs, caterers and waiting staff.

Guest Numbers

The Client will be required to provide an approximate number of guests at the time of booking confirmation. Within 7 days prior to the function, the Client must provide an accurate number of guests attending.

In the event of the Client selecting one of the Per Head Packages, the Club's staff will from time-to-time perform headcounts of guests on the premises during the function, with a minimum of 3 head counts being conducted throughout the night. In the event of a significant discrepancy between the actual guest numbers recorded by the staff during the night and the guest numbers provided by the Client prior to the event, then the Client will be invoiced using the highest guest headcount figure recorded by the staff.

It is the responsibility for Client to ensure that guest numbers are managed appropriately.

Price Adjustments

Whilst the Adelaide Rowing Club aims to ensure that the prices detailed in this package are as accurate as possible at the time of publication, the Club does reserve the right to alter our prices at any time without notice, in line with any price changes that may be imposed on the Club by its suppliers.

Deposits & Cancellations.

The Club utilises the concept of booking deposits to discourage the practice of 'dummy' booking, and to offset the Club's potential loss of revenue due to cancellations at late notice. The booking date is only secured after the payment of a deposit of \$750.

\$250 of the deposit is non-refundable in the event of cancellation or postponement of the function by the Client. In the event that the function is cancelled within 14 days of the function date, \$500 of the deposit will be non-refundable. In the event that the function is cancelled within 7 days of the function date, the entire deposit will not be refunded.

The deposit can be paid in person to the Bar Manager at the Clubrooms using cash, cheque, or EFTPOS. Alternatively, the deposit may be posted (cheque/credit card only) to:

The Treasurer
Adelaide Rowing Club
GPO Box 1228
Adelaide SA 5001

A signed agreement form must accompany the payment of the deposit.

Final Payment

The Bar Manager will issue an invoice to the Client within 7 days of the date of the function.

Full payment is required within 7 days of the date of issue on the invoice.

Note that the \$750 deposit will be deducted from the total cost of the function, following the successful completion of the function.

Function Checklist

At time of enquiry:

The Bar Manager will advise of our facilities, charges and the availability of the Clubrooms. At this stage, all enquiries are tentative and will only be held for a maximum of 14 days. If no confirmation of the booking is received within 2 weeks of enquiry, the tentative booking will lapse.

At time of booking confirmation:

The Bar Manager will confirm the date of the booking, and will secure the date upon receiving the \$750 deposit. The Client will provide an approximate number of guests, and the intended drinks package, as well as any other relevant details. If access will be required on the date preceding the function for set-up, (often required for Wedding receptions), it is important that this be communicated to the Bar Manager at this stage to check if this can be accommodated. (See Page 9 – Access to the Clubrooms).

Between 14 and 7 days prior to the function:

The Bar Manager will contact the Client to confirm:

- Accurate guest numbers
- Drink package choice, and other related details
- Details of any third party staff such as DJs, caterers and waiting staff
- Security measures undertaken by the Client

At this time, access times to the Club and the transfer of the room key and security code will be arranged. The Bar Manager will ensure that the venue has been cleaned and is presentable by the time that access will be granted.

Set-up

The key provided to the client will grant access to the function room upstairs, the ablutions, the rear storeroom and the kitchen. Food may be stored in the kitchen fridge, as well as in the freezer in the rear storeroom, and any other items may also be stored in the rear storeroom as well. Suitable decorations may be put in place, and the tables and chairs can be arranged to suit the Client's wishes. Any linen that has been ordered will be available now – it is delivered to the Club directly by Alsco. During this time, deliveries such as food, cakes, decorations, karaoke & DJ sound systems can be made.

1hr – 30mins prior to the Function start time:

The Club bar staff will arrive and open the bar facilities.

Function Start Time:

Guests arrive, the celebrations begin and everyone has a great time! If there is something that the Client requires during the night, our Bar staff will try to accommodate any reasonable requests accordingly.

Function End Time / Liquor Licence Expiry:

The Bar staff will stop serving drinks and the Bar will close. Bar staff will begin collecting empty glasses. Guests have 15 minutes to finish their drinks.

15 minutes after the Function End Time:

Guests are to finish their drinks and start to vacate the premises.

30 minutes after the Function End Time:

All guests are to have departed, allowing the bar staff to pack away chairs, trestle tables, and perform a light clean-up. During this time, the Client may wish to pack up any items of value.

1 hour after the Function End Time:

The Client and guests have departed the venue, and the Bar Staff will lock up the venue, following a light clean-up. The Client should ensure that all belongings are removed at this time, unless extended access to the Clubrooms has been arranged with the Bar Manager.

Please ensure that all personal belongings are removed, as the Club will not accept responsibility for them. The access key may be returned to the bar staff at this time, or left in the yellow box labelled 'Bar Manager', located at the bottom of the internal stairwell.

Within 7 days of the Function:

The Bar Manger will issue the final invoice to the Client.

Within 7 days of the date of the invoice:

Payment is to be made to the Club by the Client. Accepted payment methods are cheque, cash or EFTPOS.
